CANCER SCREENINGS CAN'T WAIT

Did you know that most preventive services, including <breast cancer screenings>, are included in your plan at no additional cost?*

And they're too important to miss.

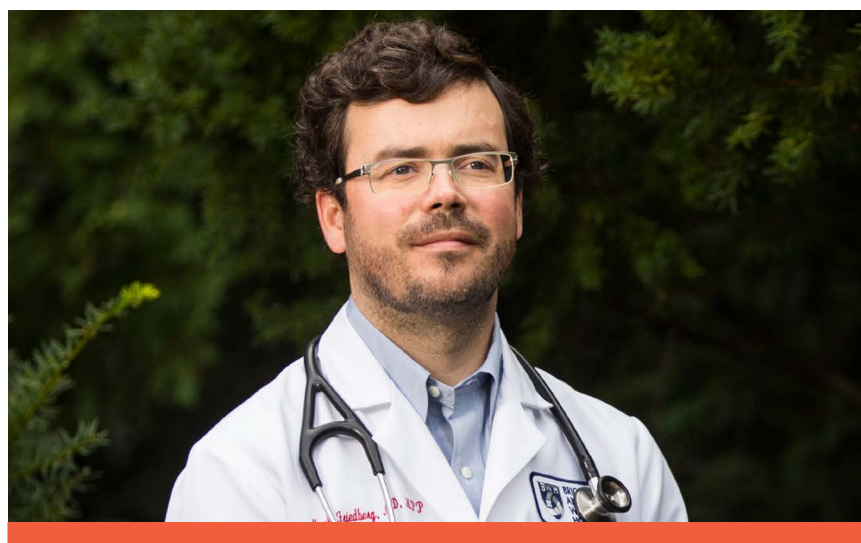

Screenings can help identify some cancers early, when treatment is more likely to be successful. Be sure you're taking full advantage of your coverage, and make an appointment with your doctor today.

[LEARN MORE](#)

Prioritizing Preventive Care

Dr. Mark Friedberg explains what preventive health care is most important right now.
