Payspan

A tool used to access online advisories (Provider Payment and Provider Detail Advisories) and set up secure electronic funds transfer (EFT), also known as direct deposit, of your organization's payments for services.

Note: Medical providers are required to get e-payment to avoid rejected claims. For dental providers, e-payment is our standard method of payment.

What can you use it for?

- Set up an account to get direct deposit payment from Blue Cross Blue Shield of Massachusetts
- View, print, and save your provider advisories (*Note: We stop sending paper copies of these 90 days after you've registered for Payspan*)
- See accounts receivable information
- View detailed claim status

Who can use it?

- Providers
- Office staff
