Hi [First Name],

It's time for Blue Cross Blue Shield of Massachusetts members to complete their kidney test. These tests are an important part of monitoring your health and you may be due for one. Your health plan is working with us—LetsGetChecked—to help you complete these tests in your home at no additional cost. To complete your test, you can follow the instructions on the logo above to order a sample collection kit directly to your home. To learn more, read the information below, and visit: letsgetchecked.com/learn-more-kidney

Why should you complete this test?

Kidney disease can be common in people with diabetes. This test helps your provider understand how well your kidney health is being managed. The results of this test can help your provider identify any damage to your kidneys and determine the right treatment to prevent further issues such as kidney failure.

Will there be any cost to you?

No. This is available at no additional cost. Kidney testing from LetsGetChecked is completely covered by Blue Cross Blue Shield of Massachusetts. There is no cost to you.

What do you need to do now?

Order your home sample collection kit today by following the instructions at the top of the page. After you order, your kit will arrive in the mail in 3-5 business days on average. This kit contains everything you will need to collect a sample at home, and send it to the lab, all at no cost to you. We will contact you with your results when they are ready.

Have questions? We're here to help. Call 1-833-919-9430 (TTY: 711), Monday to Friday, 8 a.m. to 8 p.m. ET.

Healthy regards,
